The ONLY WATCH Charity Auction

Successful edition 2015, the genuine Prizes of Independents Geneva Watchmakers

- 1) PATEK PHILIPPE : 7 300 000 CHF, 10 times the price of the model in Platinum.
- 2) F.P.JOURNE : 550 000 CHF, 4 times the price of the model in Platinum.
- 3) TUDOR : 375 000 CHF, 100 times the price of the basis model.

F.P.Journe was participating to ONLY WATCH for the first time with a unique watch created especially for the occasion, the « Tourbillon Souverain Bleu ». It is also the first time ever that a tourbillon is made with a case entirely in Tantalum. This metal has been named as such from the Greek's mythology "*Torment of Tantalus*" as it is extremely hard to work with.

The very astonishing blue chrome dial reflects like a mirror and its color changes according to light. Its F.P.Journe movement in 18K rose Gold features the renowned remontoire (constant force device) and the dead beat second.
