

WATCH OF THE YEAR CHRONOS24.PL 2013

4th edition of „Watch of the Year chronos24.pl”!

Special Jury Prize Awarded to François-Paul Journe for his entire carrier

For already 4th time Chronos24.pl, together with invited friends, decided to choose the best timepieces of passing year. As a result of long discussions and votes, jury managed to point out winners of all categories. In one of them - "Public Prize" - the best timepiece was chosen by our Internet readers.

The "Watch of the Year 2013" competition was officially launched in the first days of September with announcing the jury's nominations in particular categories: watch priced up to 10.000PLN, ladies watch, classic watch, sports watch, complicated watch, innovation in watchmaking and public prize. A total of 31 watches, debuting on the market this year, had been entered into the competition.

And this year's winners are...

Classic watch: Patek Philippe - Calatrava Ref.5227

Sports watch: Omega - Dark Side Of The Moon

Complicated watch: A.Lange&Söhne - Grand Complication

Ladies watch: Jaeger-LeCoultre - Rendez-Vous Celestial

Innovation in watchmaking: Antoine Martin - Slow Runner

Watch priced up to 10.000zł: SevenFriday - P3

Public Prize: Frederique Constant - Slimline Moonphase Manufacture

Grand Prix: A. Lange & Sohne for their Grand Complication

During the award ceremony which took place on November 7th in Sobański Palace - the seat of the Polish Business Roundtable - the representatives of manufacturers were presented with titles and statuettes.

The surprise of the evening was the winner of special

The competition was organized in cooperation with Polish Watch and Clock Collectors Club and "Manager MBA" magazine.
